  - Currently, association members do not pay a fee for the first retest of written FF1 and FF2 failures. The retest proctor does not receive compensation. A small fee of \$10 being assessed to the applicant needing to do a retest. This fee would then be given to the proctor for the retest for their time.
  - We currently have the site reserved for Friday May 29th FF2 written, Saturday May 30th FF2 Skills Claysburg, Sunday May 31st FF2 Skills Lawrence Twp. Neither department has confirmed those dates.
